Journal of Psychological Abnormalities

Editorial   **Open Access**

Editorial Note for Journal of Psychological Abnormalities

I am pleased to mention about the Journal of Psychological Abnormalities that during the year 2019, all Issues of volume 8 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

Journal of Psychological Abnormalities (JPAC) is an open access, peer-reviewed, half yearly, multidisciplinary journal that considers articles on Abnormal Child Psychology, Brain Disorders, Child Abuse, Child Behavioral Psychology, Child Development Psychology, Child Psychology Disorders, Children Psychopathology, Clinical Child Psychology, Experimental Child Psychology, Forensic Child Psychology, Neurodegenerative disease, Neurological disorders, Pediatric Psychology, Pediatric Psychology, Sleep Disorder. Psychology is the science of behavior and mind. Psychology includes the study of conscious and unconscious phenomena, as well as feeling and thought. It is an academic discipline of immense scope.

JPAC indexing for the year 2019 was in Publons, Open J Gate, Hamdard University and is constantly in the direction of maintaining it and improving the quality.

During the calendar year 2019, JPAC received a total of 5 papers, out of which 3 articles (60%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 2 articles were subjected for publication after they are accepted in the peer review process. In the Volume 8 published during the year 2019, a total of 2 articles were published (at an average of 2 articles per issue) of which, articles were published from authors all around the world. A total of 18 research scientists from all over the world reviewed the 5 articles published in volume 8.

During the calendar year 2019, a total of 5 Editors, 17 Reviewers joined the board of JPAC and contributed their invaluable services towards contribution as well as publication of articles.

I take this opportunity to acknowledge the contribution of Gerard Mercier, Editor-in-Chief during the final editing of articles published and the support rendered by the editorial assistant, Scarlett Watson in bringing out issues of JPAC in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JPAC, the office bearers for their support in bringing out yet another volume of JPAC and look forward to their unrelenting support to bring out the Volume 9 of JPAC in scheduled time.
