

Past Conference Report Petro Chemistry 2020

The feat of International Conference on Petro Chemical Engineering and Natural Resources well thought-out by Allied Academies Ltd that was apprehended during **June 8-9, 2020**, was a prodigious standard. Massive number of partakers from around the ecosphere had spoken on diverse sessions.

Aim: The gathering seeks after to pass on altogether fundamental instructional researchers, specialists and studies understudies to exchange and rate their examinations and studies outcomes on all components of Petro Chemical Engineering and Natural Resources. It furthermore presents a most valuable interdisciplinary stage for scientists, professionals and teachers to offer and discussion about the greatest current advancements, patterns, and stresses not withstanding reasonable requesting circumstances experienced and answers followed inside the fields of Petro Chemical Engineering and Natural Resources.

Conference Highlights: Petro Chemistry and Process Technology, Chemical and Biochemical engineering, Geology and Exploration ,Drilling and well operation, Pipelines and Transportation, Online and Offline Shoring Upstream, Downstream and Midstream Integration, Biopolymer Chemistry and Research, Catalysis and Pyrolysis, Industrial Biotechnology and Bioprocessing, Green catalysis and sustainable energy, Gas supply and Gas Technology, Nano science and Nano chemistry, Marine Science and Marine drug, Health Environment and Safety, Petrochemicals in Healthcare, Petrochemicals and their Sub-Groups Utilization.

The webinar started at 9:00 opening with registration and concluded with a poster session at 3:40 pm. The Meeting enduring with Key-note dialogs by the renowned speakers Dr. Inas M AlNashef , UAE , Dr. Harishchander Anandaram, India, Dr. Sayyad Zahid Qamar, Oman ,Dr. Vikas Narayan, Denmark, Dr. Russell R Chianelli, USA from the fabled establishments and verbal talks from the finest and top hierarchical doctor of medicine from varied departments who are consistent to this arena. Investigation Specialists, students and demonstrations are the special fascinations which made the experience alive through their doubts and explores.

Conference Proceedings: All submitted conference/event papers will be blind peer reviewed via way of means of 3 fitted out reviewers. The peer-reviewed convention lawsuits are listed in the respective journal, Google Scholar, and different index databases. Impact Factor Indicators

Taking the Success vibes in heart we move forward towards the 2nd International Conference on Petro Chemical Engineering and Natural Resources that is scheduled as Barcelona, Spain in the month of March 15-16, 2021. Integrates prompt keynote presentations, Verbal Discussions, Poster pageants and Exhibitions

Event will run over a span of time at some point of the convention relying on the quantity and duration of the presentations. With its excessive quality, it offers an extremely good scope of exposure for students, teachers and enterprise researchers.

Our supporters encompass organizing committee contributors, editorial contributors of International journals, its related journals, media partners, collaborators from numerous Internal Organizations and our past individuals encompass doctors, scientists, nurses, researchers, and students.

Call for Contributions: Prospective authors are kindly recommended to make a contribution to and assist from the convention via submissions in their studies, abstracts, papers and e-posters. Also, excessive studies contributions describing authentic and unpublished effects of conceptual, constructive, empirical, experimental in all regions of Petro Chemical Engineering and Natural Resources are cordially invited for presentation on the convention. The convention solicits contributions of abstracts, papers and e-posters that cope with issues and subjects of the convention, inclusive of figures, tables and references of novel studies materials.

The supporting journals include:

1. Journal of Chemical Engineering & Process Technology
2. Journal of Advanced Chemical Engineering
3. Journal of Industrial Pollution Control
4. Journal of Petroleum & Environmental Biotechnology

We welcome all of the famous investigators, pupils and delegate partakers to participate on this upcoming convention to witness precious medical discussions and assist to the destiny improvements within the discipline of Petro Chemical Engineering and Natural Resources.

Program Manager

Clara Smith
